# Sponsorship

The last twelve months have been busy for KBIS with the sponsorship of eight national series as well as the individual support of both local and national events and shows.

2011 was the first year in which KBIS were the title sponsors of the British Dressage Winter Preliminary Championships, the British Riding Club Hunter Trial Championships and the National Schools County Dressage series. All of which provided a true championship experience for young and grass roots riders and KBIS is pleased to be continuing their involvement with these series into 2012.

The KBIS British Eventing U18 Championship, British Showjumping British Novice series and Para Equestrian Dressage Championship are some of KBIS's longest standing partnerships, providing just under two thousand classes throughout the year. KBIS is delighted to be increasing its involvement with British Eventing to offer support not just at junior level but also young rider in 2012.

KBIS's sponsored riders and horses have also had a busy and successful season, including event horses KBIS Starchaser and KBIS Starlet. Starchaser moved up to Advanced level whilst Starlet completed her first CCI\*\*\* at Blenheim. Our sponsored dressage rider Jennie Lambert-Gibbs has also progressed quickly through the levels this season qualifying for the 2012 Petplan Championships at Advanced Medium level.

KBIS have always been committed to putting something back into the disciplines that our customers enjoy. You can find out more about our sponsorship involvement on the sponsorship and news pages of the KBIS website at [www.kbis.co.uk](http://www.kbis.co.uk).
