Declaration

- I declare that all the statements contained within this form are correct to the best of my knowledge.
- I understand that if I have withheld information or misrepresented the facts upon which I have based this claim that my claim may not be paid and that the Insurer may void my policy.
- I give permission for KBIS to contact my veterinary surgeon* to obtain further information about my horse which may be relevant to my claim.
* This permission extends to include any veterinary surgeon who has attended my horse in the past.

Policyholder's Declaration

- I give permission for KBIS to discuss the details of my claim and if necessary the details of my policy with any veterinary surgeon who attends my horse in conjunction with this claim.
- This is not an 'agreed value' policy. The maximum amount that can be claimed in respect of Mortality under the Basic section of the policy is the Sum Insured as shown on the Certificate of Insurance. If the Market Value of the Insured Horse is less than the Sum Insured, the Insurer will not pay the Sum Insured and will pay only the Market Value at the time of loss. I understand this.
- Once settlement has been agreed I release KBIS Ltd. and the Insurer from any further liability in respect of Mortality and/or Loss of Use claims.
- Once settlement has been approved I agree to transfer all rights I may have as the Policyholder to the Insurer by way of subrogation in case of claims against any third parties. I agree that the insurer may pursue recovery against third parties in the name of the Policyholder and will cooperate with the Insurer in their pursuits of such subrogated rights. I understand this may include the provision of information, documents and evidence, as required by the Insurer or their representatives.
