- 1) In respect of loss, destruction or damage to Insured Property under Section 1 this Insurance is subject to the condition of average, that is to say:-
 - a) in respect of Insured Property temporarily hired to the Assured under contract, if the replacement cost of such Insured Property (as provided for herein) shall at the time of any loss, destruction or damage be of greater value than the Sum Insured for such Insured Property as set forth in the Schedule, the Assured shall only be entitled to recover hereunder such proportion of the said loss, destruction or damage as the said Sum Insured bears to the total replacement cost of such Insured Property.
 - b) in respect of Insured Property other than as described in (a) above, if the value of such Insured Property shall at the time of any loss, destruction or damage be of greater value than the Sum Insured for such Insured Property as set forth in the Schedule, the Assured shall only be entitled to recover hereunder such proportion of the said loss, destruction or damage as the said Sum Insured bears to the total value of such Insured Property.
- 2) In respect of Insured Property the Insurers shall be entitled at their sole option to replace or repair or pay for any item or any part thereof lost, destroyed or damaged whether wholly or in part.
- 3) In the event of loss, destruction or damage to Insured Property the Sum Insured set forth for Section 1 Sub-Section A in the Schedule shall be reinstated from the time that the repair or replacement of the damaged property is commenced.
- 4) In respect of death or disablement if the consequences of an Accident shall be aggravated by any condition or physical disability of the Insured Person which existed before the Accident occurred, the amount of any compensation payable hereunder in respect of the consequences of the Accident shall be the amount which it is reasonably considered would have been payable if such consequences had not been so aggravated.
- 5) The Assured shall, as soon as reasonably practical, give to the Insurers notice in writing, with full particulars of the happening of any occurrence of loss, destruction or damage to Insured Property likely to give rise to a claim hereunder and shall give to the Insurers such assistance as they may reasonably require.
- 6) Notice must be given to the Insurers as soon as reasonably practicable of any Accident which causes or may cause disablement within the meaning of this Insurance, and the Insured Person must as early as possible place himself under the care of a duly qualified medical practitioner.

Notice must be given to the Insurers as soon as reasonably practicable in the event of the death of the Insured Person resulting or alleged to result from an Accident.

It is a condition precedent to Insurers' Liability to pay compensation to the Insured Person or his representatives, that all medical records, notes and correspondence referring to the subject of a claim or a related pre-existing condition shall be made available on request to any medical adviser appointed by or on behalf of Insurers and that such medical adviser or advisers shall, for the purpose of reviewing the claim, be allowed as often as may be deemed necessary to make examination of the person of the Insured Person.

- 7) Any fraud, misstatement or concealment by the Assured or an Insured Person either in the representation on which coverage is based or in relation to any other matter affecting coverage or in connection with the making of a claim hereunder shall render this Insurance in respect of the Assured or such Insured Person null and void and all claims in respect of the Assured or such Insured Person shall be forfeited.
- 8) This Insurance may be cancelled by the Assured at any time by written notice to the Insurers. This Insurance may also be cancelled by or on behalf of the Insurers by delivering to the Assured or by mailing to the Assured, by registered mail, at the Assured's last known address, written notice stating when not less than 30 days thereafter, the cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice and the Assured's cover under this Insurance shall terminate at the date and hour specified in such notice.

If this Insurance shall be cancelled by the Assured or by or on behalf of the Insurers the Insurers shall retain the pro rata proportion of the premium.

Payment or tender of any unearned premium by the Insurers shall not be a condition precedent to the effectiveness of cancellation but such payment shall be made as soon as practicable.

- 9) It is understood by the Assured/Insured Person that any information provided to the Insurers regarding the Assured/Insured Person will be processed by the Insurers, in compliance with the provisions of the Data Protection Act 1998, for the purpose of providing insurance and handling claims, if any, which may necessitate providing such information to third parties.
- 10) A person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.
