General Information about your Policy

Some words and phrases in **your policy** are highlighted in bold print. Where these words or phrases appear in **bold**, they shall only have the specific meaning given in the [Definitions](#) section.

This **document** is part of **your** insurance contract together with **your certificate, insurance product information document, terms of business agreement** and any email confirmation, and these should be read as one document.

Statement of demands and needs

This product is intended to fulfil the requirements of individuals who wish to insure the specific risks faced by **horse** owners, including coverage against financial loss from the demise of the **horse**, or loss of use of the **horse**, and/or **veterinary fees** for care of the **horse**.

This statement does not form part of the Terms & Conditions of **your policy**.

Your duty to give information

When applying for, amending, or renewing **your** insurance **policy**, **we** will ask **you** a number of questions designed to enable **us** to assess **your horse** prior to agreeing to provide insurance coverage for **you**. It is **your** duty to ensure that **you** answer all **our** questions honestly and reasonably.

The questions **we** will ask **you** are designed to enable **us** to obtain a comprehensive picture of the nature of the risk to be insured; only by asking such questions and receiving answers which are given honestly and with reasonable care, are **we** in a position to offer terms which are designed to meet **your** demands and needs.

If **you** do not provide some or all the documentation or information that **we** request as part of the assessment of the proposed risk until after the date **your policy** starts, **we** reserve the right to apply additional exclusions to **your policy** or amend **your** coverage. Any such exclusions or amendments applied will have an effective date the same as the start date of **your policy**.

The reason why **you** must honestly and correctly respond to **our** questions is that if **you** fail to tell **us** some information **we** ask for, or if **you** answer carelessly when answering questions, **your policy** may be cancelled and leave **you** with no insurance protection, or **we** may not pay all or a part of **your** claim. If **you** act deliberately or recklessly when answering **our** questions, **we** may treat **your policy** as if it never existed, refuse all claims, and not return **your** premium.

If it is found that **you** did not tell **us** everything when asked, **you** may find it difficult to arrange other insurance coverage because **you** will be legally obligated to disclose **your** misrepresentation(s) and/or non-disclosure when **you** apply for insurance with another company.

KBIS Ltd Horse Insurance Terms & Conditions

The Terms & Conditions outlined below form part of **your policy** and, along with the **certificate**, insurance product information document and terms of business agreement gives the full details of the coverage provided by **your policy**.

If **you** make a claim under this insurance **policy**, **we** will pay any sums due in respect of **your** claim within a reasonable time. The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

- 2 In the event that **you** make a claim on the **policy your** annual premium must be paid in full, and no return premium will be given if **you** or **we** later cancel **your policy**.
- 3 If **you** have not made a claim and decide to cancel **your policy**:
 - a. within 14 days of the start of the **period of insurance**, a full premium refund will be provided;
 - b. after the 14-day period has lapsed, **you** must contact **us** on 0345 230 2323 or in writing to advise of cancellation.
You will receive a refund of any premium already paid which relates to the period after cancellation, after deduction of a reasonable administration charge. Details of **our current** administration charges are available from **us** on request.

 - a. it is found that **you** have provided dishonest or fraudulent information to **us** in connection with this **policy**;
 - b. **you** have failed to provide some or any of the documentation or information that **we** requested from **you** in relation to this **policy**;
 - c. not paying the applicable premium;
 - d. failing to meet the terms and conditions of the **policy**;
 - e. if **you** advise **us** of a change of the nature of the risk under **your policy** which **we** are unable to insure;
 - f. the use of threatening or abusive behaviour or language, or intimidation or bullying of **our** staff or suppliers, by **you** or any person acting on **your** behalf.

If **we** decide to cancel, **we** will send seven days' notice to **you** at the last email or postal address **we** have on file for **you**.

If **you** have committed a fraudulent claim, **we** will write to **you** to say that **we** have treated the **policy** as having been cancelled from the time of the fraudulent act.

In the event that **your policy** is cancelled by **us**, **you** will receive a refund of any premium already paid which relates to the period after the cancellation date, except if **you** have made a claim or where there has been an act of fraud. If **your policy** has been cancelled all coverage under this **policy** will cease and no claims will be paid for any **incidents** occurring after the date of cancellation.

- 6 **Your policy** does not cover any loss, damage, liability, claim, fines, penalties, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any:

General Policy Clauses

Second Opinion Clause

We reserve the right to obtain a **second opinion**, at **our** own expense and by a **veterinary surgeon** employed or engaged by **us**, for any claim made on this **policy** under Section 1 – Death, Theft & Straying, Section 2 – Permanent Loss of Use, and Section 3 – Veterinary Fees.

Arbitration Clause

If, in the event of an **incident** affecting the **horse**, **your veterinary surgeon** and **our veterinary surgeon** cannot reach agreement the case will be referred for examination by an independent **veterinary surgeon** mutually agreed upon by both sides, who will act as Arbitrator in the dispute.

The Arbitrator's decision will be binding on both **you** and **us**, and the cost for their services will be shared equally between **you** and **us**.

Restriction of Policy Coverage – 450-Day Extension Period Clause

The maximum period of coverage for any claim under Section 1 – Death, Theft & Straying, Section 2 – Permanent Loss of Use, and Section 3 – Veterinary Fees of **your policy** is limited to the **extension period**. The coverage afforded under this Extension Period Clause is subject to the terms and conditions of **Your Policy** and any Exclusions noted on **Your certificate**.

Restriction of Policy Coverage – Limited Period Clause

The limited period restricts coverage under Section 1 – Death, Theft & Straying, Section 2 – Permanent Loss of Use, and Section 3 – Veterinary Fees of **your policy** to **Accidental External Injuries Only (AEIO)**.

The limited period begins at 12:01 a.m. of the date noted in **your certificate** and ends at 11:59 p.m. on the last day of the period noted in **your certificate**.

When **your policy** begins or when a **horse** is added to an existing **policy** the sections detailed below will be limited to claims arising from **AEIO** and/or **colic surgery**:

Your policy will have an automatic limited period of 45 days unless:

- 1 At the start of a new **policy** or when adding a new **horse** to an existing **policy**, the limited period will be reduced to 0 days if the **horse(s)** is:
 - a. a new purchase; and
 - b. has passed a 2- or 5-stage pre-purchase examination (including the provision of any additional veterinary information as required by **us**) during the purchase process, but no longer than 15 days prior to the date **your** application for insurance is received by **us**; and
 - c. **your** application for insurance is received by **us** within 7 days of the date of purchase.
- 2 When transferring a **policy** from another insurance company to **us**, at the annual renewal of that policy, the limited period will be reduced to 0 days if:
 - a. the **horse** is currently insured with another insurance company and the requested coverage corresponds to that provided by the expiring insurance **policy**; and
 - b. a copy of the full renewal documentation is provided to **us**; and
 - c. a completed Proposal Form and a full clinical history (from all **veterinary surgeons** who have attended the **horse**) is supplied to **us**.

The limited period will not be reduced for loaned or gift **horses** or for **horses** adopted from a charity.

All the requirements in either 1 or 2 above must be satisfied in order for the limited period to be reduced. However, these requirements constitute the minimum required information, and **you** may have to supply additional documentation depending on the type and level of coverage purchased including as to the veterinary history of the **horse** depending on **our** assessment of the risk presented by the proposed **horse(s)**. If additional information is required, **you** will be advised on the Quote letter and/or Temporary Cover **certificate**.

Restriction of Policy Coverage – Geographical Limits Clause

Your policy provides insurance coverage while the **horse** is:

- 1 In the United Kingdom, Channel Islands, or Isle of Man; and
- 2 With **our** prior agreement, while temporarily resident outside this region, including transportation to and from the temporary residence, but not exceeding 90 days at any one time.

Section 1 - Death, Theft & Straying

Section 1a Death – Emergency Euthanasia

In the event that, during the **period of insurance**, the **horse** suffers from an **incident** of such severity that, in the opinion of the attending **veterinary surgeon**, the **horse's** condition necessitates its immediate **euthanasia** without referral to **us**, **we** will pay the **market value** of the **horse**, not exceeding the **sum insured** stated on **your certificate**. **You** must notify **us** of the **euthanasia** of **your horse** as soon as reasonably possible, in accordance with Condition 6 of the General Policy Conditions.

Conditions applicable to Section 1a Death – Emergency Euthanasia

All of the following Conditions must be satisfied in order for a claim to be paid under this section:

- a the **horse** must suffer an **incident**, during the **period of insurance**, which is so severe that emergency **euthanasia** is required to relieve the **horse's** incurable and excessive pain and suffering; and
- b the attending **veterinary surgeon** must certify that at the time and place they attended the **horse** no other options of treatment were available to relieve, alleviate or cure the pain and suffering caused to the **horse** by the **incident**; and
- c the attending **veterinary surgeon** must certify that at the time and place they attended the **horse** the **horse's** condition was such that it could not be safely and/or humanely transported to such a place where treatment might be available to relieve, alleviate or cure the pain and suffering caused to the **horse** by the **incident**; and
- d following **euthanasia** **you** must, at **your** own expense, obtain a **post mortem**, unless **we** have agreed that this condition can be waived; and
- e **you** must submit a completed claim form and detailed veterinary reports, including the attending **veterinary surgeon's** certification that no other options for treatment were available, and **post mortem** report to **us**.

If any or all of the above Conditions are not satisfied, **we** will not pay **your** claim.

The above terms work in parallel with the British Equine Veterinary Association guidelines for a mortality claim on an insured **horse**.

Section 1b Death – Non-Emergency Euthanasia

In the event that the **horse** suffers an **incident** during the **period of insurance** that necessitates **euthanasia** with prior agreement from **us**, **we** will pay the **market value** of the **horse**, not exceeding the **sum insured** stated on **your certificate**. **You** must notify **us** of the **incident** suffered by **your horse** in accordance with Condition 6 of the General Policy Conditions.

Conditions applicable to Section 1b Death – Non-Emergency Euthanasia

All of the following Conditions must be satisfied in order for a claim to be paid under this section:

- a **we** must be given sufficient notification of the **incident** before **euthanasia** is performed on the **horse** to allow a **second opinion** to be given by **our veterinary surgeon**; and
- b the **horse** must exhibit signs of severe and unremitting pain that can be controlled by effective **medication** in the short term but both **your** and **our veterinary surgeons** must agree that such pain cannot be managed in the long term and no other options for treatment of the horse are available; and
- c it must not be possible to retire the **horse** to an environment allowing for a reasonable quality of life on a safe dosage of **medication** (if there is a dispute about what constitutes 'a reasonable quality of life', or 'a safe dosage of **medication**' the Arbitration Clause will be invoked); and
- d following the **euthanasia** procedure, **you** must, at **your** own expense, obtain a **post mortem** report, unless **we** have agreed that this condition can be waived.
- e **you** must submit a completed claim form, detailed veterinary reports and **post mortem** report to **us**.

If any or all of the above Conditions are not satisfied, **we** will not pay **your** claim.

Exclusions applicable to Section 1b Death – Non-Emergency Euthanasia

- 1 Any claim which was not advised to **us** prior to **euthanasia** of the **horse** being performed.
- 2 Any claim where **euthanasia** is carried out on the **horse** for economic reasons.

It is understood by **us** that there will be times that **you** and **your veterinary surgeon** choose to perform **euthanasia** on a **horse** for reasons of loss of ability or on economic grounds. **We** accept that this is a decision for **you** to make, but if the circumstances of the **euthanasia** of the **horse** do not meet the strict criteria of this section, **we** will not pay **your** claim.

Section 1c Death – All Other Cases

In the event that the **horse** dies or is found dead due to unknown or unforeseen circumstances during the **period of insurance**, **we** will pay the **market value** of the **horse**, not exceeding the **sum insured** stated on **your certificate**. **You** must notify **us** of the loss of **your horse** in accordance with Condition 6 of the General Policy Conditions.

Conditions applicable to Section 1c Death – All Other Cases

- b **you** must notify **us** of the death of **your horse** as soon as reasonably possible in accordance with Condition 6 of the General Policy Conditions; and
- c unless obliged to do so by the order of any government or public or local authority or any person or body having or claiming jurisdiction in the matter, **you** may not dispose of the carcass of the **horse** until **you** have received notification from **us** that **you** may do so. **We** reserve the right to carry out any additional **post mortem** examination or testing at **our** own expense.
- d **you** must submit a completed claim form and detailed veterinary reports, including the **post mortem** report, to **us**.

If any or all of the above Conditions are not satisfied **we** will not pay **your** claim.

Additional Coverage under Sections 1a Death – Emergency Euthanasia, 1b Death – Non-Emergency Euthanasia & 1c Death – All Other Cases

- 1 In the event of an agreed mortality claim **we** will pay up to £200 for carcass **disposal** incurred by **you**.

Exclusions applicable to Sections 1a Death – Emergency Euthanasia, 1b Death – Non-Emergency Euthanasia & 1c Death – All Other Cases

- 1 In the event that the **horse** is subject to a government or public or local authority quarantine, detention, exclusion, and/or restriction order relating to an outbreak or suspected outbreak of a disease, **we** will not pay a claim for death, intentional slaughter or **euthanasia** of the **horse** if the loss is directly or indirectly attributable to the cause of the quarantine, detention, exclusion, or restriction order.
- 2 **Your policy** does not cover death or **euthanasia** directly or indirectly caused by, happening through, in consequence of or contributed to by one or more of the following:
 - a any surgical operation unless conducted by a **veterinary surgeon** and certified by them to have been necessitated solely by an **incident** occurring during the **period of insurance** and to have been carried out in an emergency attempt to save the **horse's** life; or
 - b the giving of any **medication** unless by a **veterinary surgeon** (or by experienced veterinary personnel under their direction) and certified by that **veterinary surgeon** to have been of a preventative nature or necessitated by an **incident** occurring during the **period of insurance**; or
 - c malicious or wilful injury or criminal or intentional acts or omissions by **you**, **your** family, representatives, agents, employees, **veterinary surgeons**, bailees or other persons who have care, custody or control of the **horse**; or
 - d failure by **you** or **your** family, representatives, agents, employees, bailees or other persons who have care, custody or control of the **horse** to provide proper care and attention for the **horse** at all times; or

 - f poison.
- 3 **Your policy** does not cover death directly or indirectly caused, or wholly or partially contributed to, by castration or spaying of the **horse** unless **we** are advised before the castration or spaying operation is carried out.

Section 1d – Loss by Theft or Straying

In the event that **your horse** is stolen or strays during the **period of insurance**, **we** will pay the **market value** of the **horse**, not exceeding the **sum insured** stated on **your certificate**. **You** must notify **us** of the loss of **your horse** in accordance with Condition 6 of the General Policy Conditions if:

- a **your horse** is lost or stolen and cannot be found; or
- b **your horse** dies as a result of the reported theft or straying.

If, following a proven theft, the **horse** is recovered and has been castrated, spayed or otherwise neutered or sterilised while not in **your** care, custody or control, **we** will pay the amount by which **your horse's market value** has reduced as a result of the castration, spaying, neutering or sterilisation.

Conditions applicable to Section 1d – Loss by Theft or Straying

- 1 In order to claim under this section, **you** must have suffered no thefts, attempted thefts or threats of any nature against **you**, or the **horse** or any other **horses** you own during the twelve months immediately prior to the start of the **period of insurance**.
- 2 **We** will not pay **your** claim for the loss of **your horse** by theft or unlawful removal until 90 days after the loss is reported to **us** and then only in the event that **horse** has not been recovered during that period.
- 3 **We** will not pay **your** claim for the loss of **your horse** by straying until 90 days after the loss is reported to **us** and then only in the event that the **horse** has not been recovered during that period.
- 4 **You** must, as soon as possible, report any theft or disappearance of the **horse** to the police and **you** must follow their recommendations strictly, except that under no circumstances whatsoever may **you** pay, agree to pay, or promise to pay a ransom, bribe, or payoff, or give similar assurance of such nature to any person.
- 5 In the event of a loss under this **policy**, **we** will not pay more than the **market value** of **your horse** at the time of the loss, or the **sum insured** stated on the **certificate**, whichever is less.
- 6 If a claim is paid under this section of the **policy**, and the **horse** is subsequently recovered, **we** have the right, if **we** so elect, to take ownership of and sell the **horse**. If **we** do not elect to take ownership of and sell the **horse**, **you** must return the amount paid in settlement of **your** claim and retain possession of the **horse**.
- 7 If a claim is paid under this section of the **policy** and the **horse** is subsequently recovered, and **we** do not elect to take ownership of the **horse**, there can be no abandonment of the **horse** to **us**.
- 8 In the case that the **horse** is a mare, no insurance coverage is given under this section for any embryo within the **horse** or any of her foals, unless such embryo or foal is insured separately under this **policy**.

Additional Coverage under Section 1d – Loss by Theft or Straying

- 1 **We** will pay a maximum of £200 per **period of insurance** to reimburse **you** for the cost of advertising the loss or theft and/or the payment of a reward which leads to recovery of the **horse**.
- 2 **We** will pay a maximum of £600 per **period of insurance** to reimburse **you** for the hire of a replacement **horse** for a period of 180 days from the date of loss following the proven theft of the **horse**.

Exclusions applicable to Section 1d – Loss by Theft or Straying

- 1 **We** will not pay a claim for any **incident** of theft or straying where the loss occurs during the first 45 days of the **period of insurance** of **your policy**.

Optional Coverage Sections – the sections listed below are only included in **your policy** if they are shown on **your certificate**

Section 2 – Permanent Loss of Use

If this optional section is included in **your** insurance coverage, it will be indicated on **your certificate** as either Section 2a – Permanent Loss of Use due to an **incident**, or Section 2b – Permanent Loss of Use due to **AEIO**. The difference between these coverage options is detailed below:

Section 2a – Permanent Loss of Use due to an **incident**

If, during the **period of insurance**, **your horse** suffers an **incident** such that its condition, either immediately or within the 450-day **extension period** renders it permanently incapable of fulfilling the use for which it is vetted and insured, as declared in **your** Proposal Form and noted on the **certificate** but, in the opinion of both **your veterinary surgeon** and **our veterinary surgeon**, its condition does not meet the criteria for **euthanasia** under either Section 1a Death – Emergency Euthanasia, or 1b Death – Non-Emergency Euthanasia, **we** will pay either the percentage of the **sum insured** stated on **your certificate** or that percentage of the **horse's market value**, whichever is the lesser amount.

Section 2b – Permanent Loss of Use due to **AEIO**

If, during the **period of insurance**, **your horse** suffers an **AEIO** such that its condition, either immediately or within the 450-day **extension period** renders it permanently incapable of fulfilling the use for which it is vetted and insured, as declared in **your** Proposal Form and noted on the **certificate** but, in the opinion of both **your veterinary surgeon** and **our veterinary surgeon**, its condition does not meet the criteria for **euthanasia** under either Section 1a Death – Emergency Euthanasia, or 1b Death – Non-Emergency Euthanasia, **we** will pay either the percentage of the **sum insured** stated on **your certificate** or that percentage of the **horse's market value**, whichever is the lesser amount.

Conditions applicable to Section 2a – Permanent Loss of Use due to an **incident** and Section 2b – Permanent Loss of Use due to **AEIO**

- 1 **Our veterinary surgeon** may require that the **horse** be assessed from a rider's perspective by a professional rider to be mutually agreed on between **you** and **us** to determine the significance of the condition.
- 2 Permanent loss of use must be a direct result of and be solely caused by an **incident** or **AEIO** happening during the **period of insurance**.
- 3 Both **your veterinary surgeon** and **our veterinary surgeon** must agree that the **incident** or **AEIO** was the direct and sole cause of the permanent loss of use. If there is any disagreement between **your veterinary surgeon** and **our veterinary surgeon**, the **arbitration clause** will be invoked.
- 4 Subject to an agreed Permanent Loss of Use claim **you** have two choices:
 - a. Kept in Retirement.

Should **you** choose to keep **your horse** in retirement, before any claim payment is made to **you**, the **horse** must be freeze marked with an easily visible L set in a circle, so that it is possible to identify that the **horse** has been subject to a claim should the **horse** change hands at a later date. **We** consider retirement to consist of withdrawal from any activities engaged in prior to the agreed claim and ceasing to compete in affiliated* or FEI events. Retirement may include the **horse** being at grass, hacking, lower-level unaffiliated competition or used for breeding purposes. In this case **we** will make a deduction from the claim amount equal to the residual value of the **horse**, not exceeding the **sum insured** stated on the **certificate**, and subject to a minimum payment of 10% of the **sum insured** stated on **your certificate** or 10% of the **horse's market value**, whichever is the lesser amount. If the horse is a stallion or mare kept with the intention of using it for breeding purposes the claim deduction amount will reflect the horse's residual value for stud duties.

*Affiliated event is an event run by a national governing body for each discipline, including but not limited to: British Eventing, British Showjumping, British Dressage, Endurance GB.
 - b. Euthanasia.

If **you** choose to administer **euthanasia** on the **horse** as a result of an agreed Permanent Loss of Use claim this must be carried out under the supervision of a **Veterinary Surgeon** and a certificate of destruction must be supplied by the **veterinary surgeon** confirming the date and time and that prior to destruction the **horse** was positively identified by its passport and microchip.
- 5 If the **horse** is a stallion or mare kept with the intention of using it for breeding purposes the claim deduction amount will reflect the **horse's** residual value for stud duties.
- 6 If **you** elect not to keep the **horse** following an agreed Permanent Loss of Use claim, **we** reserve the right to take possession

- of and sell the **horse**.
- 7 Any **incident** or **AEIO** suffered by the **horse** must be advised to **us** in accordance with Condition 6 of the General Policy Conditions.
 - 8 If there is disagreement between **your veterinary surgeon** and **our veterinary surgeon** over the incapacity of the **horse** the Arbitration Clause will be invoked.
 - 9 In the event that the **horse** sustains an **incident** or an **AEIO** during the **period of insurance** and its condition does not manifest itself as a permanent incapacity until after the **period of insurance** has expired, claims will be recoverable under the **extension period** providing that:
 - a the permanence of the incapacity is agreed upon by both **your veterinary surgeon** and **our veterinary surgeon** (or, in the case of a disagreement between them, by the Arbitrator as per Condition 8 above); and
 - b **euthanasia** or freeze-marking, per Condition 4 above, of the **horse** occurs no more than 15 months from the date of the **incident** or the **AEIO**.
 - 10 Determination of the **horse's** value for the purposes of this section are based on the **market value** of the **horse** at the time of the **incident** or the **AEIO**, not at the time it is agreed that the **horse** is permanently incapable of fulfilling the use for which it is vetted and insured, but in any event **we** will not pay more than the declared percentage of the **sum insured** for Section 2 – Permanent Loss of Use stated on **your certificate**.
 - 11 **You** must contact **us** to notify of **your** intention to euthanase the **horse**. **You** must not euthanase the **horse** before **we** have agreed. If **you** do not obtain agreement, **we** will not pay **your** claim.
 - 12 **We** will reduce Section 2a - Permanent Loss of Use due to an incident to Section 2b – Permanent Loss of Use due to AEIO at the renewal following **your horse's** 14th birthday. **We** will remove Section 2b – Permanent Loss of Use due to AEIO at renewal following **your horse's** 15th birthday.
 - 13 On settlement of **your** claim, should a third party be considered at fault **we** may seek to recover **our** losses from that third party. By accepting any settlement, **you** agree to offer all reasonable assistance and agree that **we** are entitled, at **our** own expense, to institute legal proceedings against the third party in **your** name.
 - 14 If a claim is settled under Section 2a – Permanent Loss of Use due to an incident or Section 2b – Permanent Loss of Use due to AEIO, cover under all sections of the **policy** will end. Alternative cover may be offered at **our** discretion.

Additional Coverage under Sections 2a Permanent Loss of Use due to an incident and 2b – Permanent Loss of Use due to AEIO

In the event of an agreed permanent loss of use claim, where **euthanasia** is opted for on economic grounds **we** will pay up to £200 for carcass **disposal** incurred by **you**.

Exclusions applicable to Section 2a – Permanent Loss of Use due to an incident and Section 2b – Permanent Loss of Use due to AEIO

These sections do not cover any claim for permanent loss of use arising:

- 1 As a result of blemishing.
- 2 Due to the **horse's** inability to breed.
- 3 As a result of the **horse** being barred from participating in competition due to the regulations laid down by any breed society or competitive body or association in respect of wind conditions and/or having been operated on for such conditions.
- 4 For loss of value, lack of ability, or lack of suitability.
- 5 If **your horse** has never taken part in, or been trained to do, the activity it now cannot participate in.
- 6 As a result of **your horse** –
 - a. Taking part in, or
 - b. Is related in any way to taking part in,
 - c. An activity which is not shown as covered on **your certificate**.
- 7 As a result of **your horse's** behaviour
- 8 If **you** have not arranged for all treatment and rehabilitation considered reasonable by **our veterinary surgeon** to achieve recovery of **your horse**

Exclusions applicable to Section 2b – Permanent Loss of Use due to AEIO only

This section does not cover any claim for tendinosis/tendinitis, tenosynovitis, avulsions, strains, sprains, tears or ruptures of tendons and/or ligaments which are not caused by an **AEIO**.

Section 3 – Veterinary Fees

In the event that, during the **period of insurance**, **your horse** suffers an **incident**, **we** will pay the **veterinary fees** incurred by **you** for treatment of the illness, disease, lameness, or injury by a **veterinary surgeon**, up to the limit stated in **your certificate** for each **incident** or **foaling risk** suffered by the **horse** during the **period of insurance**.

Each **incident** or **foaling risk** must have been advised to **us** as soon as possible, in accordance with Condition 6 of the General Policy Conditions. Claim acceptance and payments are subject to the receipt of detailed invoices from the **veterinary surgeon**, showing diagnosis of the condition(s) or injury(s) suffered, details of the consultation, details of any **medication** or other treatment prescribed, and mileage travelled by the **veterinary surgeon** where appropriate.

Conditions applicable to Section 3 – Veterinary Fees

- 1 A claim for **equine gastric ulcer syndrome** and/or **equine gastric glandular disease** will only be considered when **your horse** is exhibiting clinical symptoms of these conditions.

If, at any reassessment, the gastric ulceration is found to have resolved below Grade 2 on the LSS, all coverage for gastric ulceration will cease. If **you** do not, **we** will deduct the discount, which would have been provided, from the claim settlement.

The Regulator

The Financial Conduct Authority (FCA) is an independent watchdog that regulates financial services.

Our Financial Services Register number is 300861 and you can check our status and permissions at <https://register.fca.org.uk/> or by contacting the FCA on 0800 111 6768.

Our Activities

The FCA has authorised us to advise, arrange, deal in and assist with the placing and administration of all types of General Insurance policies and Pure Protection policies.

Our Service

We are an intermediary and act as agent of insurer. We have in place management controls to deal with any conflicts of interest that might arise.

We also act on behalf of insurers when collecting premiums under risk transfer (See "Money" section).

We will ask questions to enable us to assess reasonably your insurance requirements, this may include checking information that we already hold about you and your existing insurance arrangements with us and other parties.

We will provide you with information only, you will need to make your own choice as we will not provide you with any advice or specific recommendations.

In all cases our service will include arranging and administering your insurance, including helping you with on-going changes.

If we use the services of another intermediary to place your insurance we will advise you of the name of the intermediary we use and the name of the insurer.

Our Product Selection (Single Insurer)

We only offer this product from one insurer and so do not approach other providers.

Claims Notification

In the event of a claim or possible claim, you must make notification as per your policy wording. Your policy wording will be provided to you with your policy and is also available from our website at <https://www.kbis.co.uk/>. If you are in any doubt as to whether you need to make notification of a claim or possible claim or you are unsure of the requirements of your policy wording please contact KBIS British Equestrian Insurance by calling 0345 230 2323, by emailing ask@kbis.co.uk or write to KBIS British Equestrian Insurance, Cullimore House, Peasmore, Newbury, Berkshire, RG20 7JN. You can also get in touch by phone, email or post to request a copy of your policy wording.

Failure to comply with all claims notification requirements stipulated in the full policy wording may invalidate your insurance.

Money

We will hold money that you pay to us in accordance with the regulators rules or under a risk transfer agreement with insurers. This will include holding your money in the following way:

A **risk transfer insurer bank account** in accordance with our agreements with Insurance Companies that transfer the risk of money we receive from customers to them, these agreements deem any money you pay to us, to be received by them and they will bear the risk of any losses in the event that our firm becomes insolvent. This includes claims money or premium refunds we receive prior to being paid to you.

By holding your money in this way it means that in the event that this firm becomes insolvent your money remains protected.

In arranging your insurance we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. These firms are also required to hold clients' money in a separate trust account. We will also inform you if at any time we are required to pass your premium to firms that operate outside the UK where the protection may be different. Should you not wish us to pass premiums to a firm outside of the UK, please inform us.

Our Remuneration

We usually receive a commission from the insurance provider with whom we place your business, and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you (or the premium finance company, if one has been used) or, when the insurer has received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. We also receive commission for arranging finance agreements for the payment of insurance premiums and this is usually expressed as a percentage of the individual loan and is paid to us directly by the premium finance provider. Our preferred provider of premium finance is Premium Credit Limited and this is the only provider we will approach. However, whilst we may recommend a provider to you, you remain free to make your own choice of premium finance provider and insurer's own credit facilities may be available to you. We may also receive a commission or fee for passing introductions to other professional firms.

On request we will be pleased to provide information about any remuneration and other earnings received by us in the handling of your insurances. In addition, we may also charge you a fee for arranging your insurance and full details will be provided to you at outset. We may also charge a fee for any amendment to your insurance policy including cancellation.

Payment Options

We will provide you with full details of all the payment options available to you when we provide you with your insurance premium.

If you choose to enter in a finance arrangement, your details will be passed to a third party (insurer or lender) to enable them to contact you and you should contact us at the address given in this document if you do not want your details passed to that party. This finance arrangement will be subject to interest charges that we will confirm to you when providing the full details. Importantly, the arrangement you will enter into will be with the finance company not us. It is an entirely separate contract irrespective of the insurance contract. In the event of your failure to meet with the contractual obligations regarding payment the finance provider could approach the insurer to seek a termination of the insurance contract to recoup their outstanding finance arrears. You will be liable to pay their costs and charges if you do not keep up your repayments and cover is cancelled under your policy. This is because the agreement is between you, the policyholder and the finance company direct, not us or the insurer.

It is important that you read the finance agreement that is sent to you before you agree to enter into such an agreement.

We do not charge any fees to you for introducing you to a credit provider

If you are a consumer as defined under the Consumer Credit Act, you will have the benefit of a 14 day cooling off period.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

Your Right to Cancel (Applicable to Consumers only)

Please contact us if you wish to cancel any policy that we have arranged for you. Customers acting outside their trade or profession (Consumers) will usually have a legal right to cancel policies for any reason, subject to no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this right applies. A charge may apply for the period of cover provided and, in addition, an administration charge will apply as shown in the charges section above, cancellation under this right must be in writing, prior to expiry of the cancellation period, to our usual office address.

Complaints

Our aim is always to provide our customers with a first-class service; however we are aware that, occasionally, it is possible that we may fail to meet your expectations. If for any reason we have not met your expectations, let us know as soon as possible, by calling our main office telephone **0345 230 2323**, or write to **Elizabeth Prest, KBIS Limited, Cullimore House, Peasmore, Newbury, Berkshire, RG20 7JN** or email ask@kbis.co.uk.

If we are unable to resolve the issue to your satisfaction within 3 working days, we will formally investigate the matter. You will receive an acknowledgement of the matter together with a copy of our complaints process promptly and certainly within 5 working days. We will then aim to investigate and provide a resolution as quickly as possible, informing you of a final response no later than 8 weeks.

If you are not happy with our response, or the position after a period of 8 weeks, you may be eligible to refer your complaint to the Financial Ombudsman Service (FOS) for an independent assessment and opinion.

The FOS Consumer Helpline is on **0800 023 4567** (free for people phoning from a "fixed line" (for example, a landline at home) or **0300 123 9123** (free for mobile-phone users paying monthly charge for calls to No's starting 01 or 02). Alternatively you can contact them at Financial Ombudsman Service, Exchange Tower, Harbour Exchange Square, London, E14 9SR. www.financial-ombudsman.org.uk

A full copy of our complaints procedure is available on request.

Financial Services Compensation Scheme (FSCS)

If we are unable to meet our obligations, you may be entitled to compensation from the FSCS. If we have advised or arranged insurance for you this will be covered for 90% of a claim, without any upper limit, however claims under compulsory insurance, professional indemnity insurance and certain claims for injury, sickness or infirmity of the policyholder are protected at 100%. Further information is available from the FSCS helpline on 0800 678 1100 or 020 7741 4100 and www.fscs.org.uk.

The FSCS is the UK's statutory fund of last resort for customers of authorised financial services firms. Compensation is usually payable if an authorised firm is unable or unlikely to pay claims usually because it has ceased trading or become insolvent

Depending on the circumstances or nature of the insurance we may need to transfer personal data out of the jurisdiction of the European Economic Area. If this is necessary we will always ensure that your data is protected as required by Data Protection Law.

We may use your data for research, statistical analysis and crime prevention including the investigation of fraud. Sometimes we will also contact you or pass your details to other companies associated with us in order to promote products or services which may be of interest to you. We will only do this however in accordance with our obligations under Data Protection Law.

In some circumstances, we will need to pass information about you on to credit reference agencies and premium finance providers in connection with the assessment of your financial standing generally and in particular where you have requested a premium instalment plan. This may include details of your payment record to us.

Where using personal data relies on your consent, we will obtain that consent or ensure that the consent is obtained from you in accordance with Data Protection Law. Where this is the case, you will be entitled to withdraw that consent. That may mean however that we are unable to arrange, place or administer your insurance properly.

In some cases you will have the right to ask us to stop using your personal data, to tell us that you no longer want to receive information from us, to ask us to correct information we have about you or to ask us for the information we hold about you. Full details of your rights under Data Protection Law and how to enforce those rights are set out in our privacy statement on our website.

If at any time you want us, or any company associated with us, to cease processing any personal data or sensitive personal data we hold about you, or to cease contacting you about products and services, you should write to our Compliance Officer.

"Data Protection Law" means all applicable statutes and regulations in any jurisdiction pertaining to the processing of Personal Data, including but not limited to the privacy and security of Personal Data.

Duty of disclosure

Unless you are a Consumer (that is, any natural person who is acting for purposes which are outside his trade or profession), you must disclose to insurers, before the setting up or renewal of your insurance policy is concluded, anything that might influence the judgement of an insurer in fixing the premium, setting the terms or determining whether they would take the risk. If you are uncertain whether anything is material, you should disclose it.

In order to identify what must be disclosed, you are obliged to carry out a reasonable search before presenting the risk to insurers. This includes (but is not limited to) consulting with all senior managers. A senior manager is anyone who plays a significant role in the making of decisions about how your activities are to be managed or organised, regardless of whether or not that individual is a member of your board or is formally in a management role. You must also consult with anyone who has particular knowledge about the risk to be insured.

If you deliberately or recklessly (i.e. without care) fail to comply with your obligations to present the risk fairly, insurers may avoid the policy. This means they can retain all premiums and treat the policy as if it never existed and refuse to make any claims payments. You could also be obliged to repay any claims payments that had already been made.

If you fail to present the risk fairly, but your failure was neither deliberate nor reckless, insurer's response will depend upon what would have happened if you had complied with your obligations:

a) if insurers would not have provided the policy, they may treat the policy as if it never existed, refuse to make any claims payments and demand the return of any claims payments already made. However, insurers would have to return any premium payments already made;

b) if insurers would have provided the policy but on different terms, the policy will remain in force but will be treated as if those different terms applied from the start of the policy. This could result in a claim not being met in part or in full;

c) if insurers would have provided the policy but charged a higher premium, insurers may reduce any payment in proportion to the difference between the premium charged and the premium that would have been charged if you had fairly presented the risk. This could result in a significant reduction to the amount of any payment under the policy.

All statements and facts disclosed on proposal forms, statement of facts, claim forms and other documents should be full, true and accurate and must be given after undertaking a reasonable search, including consulting with your senior management. It is your responsibility to make sure that the information to be submitted to the insurer is presented in a way that the insurer will find reasonably clear and accessible. Where a large amount of information is provided you will need to ensure that it is organised in a structured way with appropriate indexing and signposting to enable the insurer to navigate to what is important.

Where you are a Consumer, you must take care to answer all questions fully and accurately. In other words, all information provided to the insurer must be complete and accurate and all questions must be answered honestly and to the best of your knowledge. Failure to provide accurate and up to date information may invalidate the insurance policy and mean that a claim may not be paid. A failure to comply with a request to confirm or clarify information previously provided is also capable of being a misrepresentation and could invalidate the insurance policy. Once an insurance policy has been arranged and has incepted, any changes to the information that has been provided to insurers must be notified as soon as possible as the insurance policy may include a requirement to do so and failure to notify such information may invalidate the insurance policy.

Bullying and Harassment of KBIS Limited Employees

We appreciate that dealing with insurance in general and making a claim in particular can be a very stressful experience. Our aim is to make sure we have highly trained staff who understand these concerns and work very hard to provide the best possible service. We realise that insurance claims can be complex and may require information to be supplied by several parties (e.g. vets, riders and livery yard owners etc.) and whilst KBIS Ltd will assist, it is the responsibility of the policy holder to arrange and collate the required documentation.

If the policy holder becomes rude or abusive over the phone or attempts to bully or harass our staff, it is very unpleasant for the member of staff who is just trying to do their job to the best of their ability. It is also extremely unproductive. When this happens the following procedure will be enforced:

1. Our member of staff will calmly point out the situation and ask the policy holder to stop being rude or abusive.
2. If the policy holder continues to be rude or abusive to our staff they will not continue the conversation and offer to pass the policy holder on to a Manager or request that they call back after a cooling off period.
3. Following the cooling off period, we will resume communication with the policy holder.
4. If the policy holder continues to be rude or abusive to our staff we will decline all direct phone communication with the policy holder and require that all further communication is either carried out by a representative of the policy holder or by email.

Before we decline all further direct phone communication we will give the policy holder the option to speak to a senior Director of the company. It may be necessary for the Director to call back at a later time. This procedure does not affect the policy holder's right to make a complaint against us or to take that complaint to the Financial Ombudsmen Service.

Third Party (Rights Against Insurers) Act 2010

Where an insured becomes insolvent and has incurred a liability to a third party, the third party may be entitled under the Third Party (Rights Against Insurers) Act 2010 ('the Act') to make a claim against the relevant insurer directly. Pursuant to this right the third party will be entitled under the Act to obtain policy information from any party it believes holds that information. That party has twenty-eight days in which to comply with the request for information. Where we receive a request under the terms of the Act we will

contact you and discuss the request before releasing any information. If we are unable to make contact with you we will not be in breach of our duty of confidentiality to you by releasing information in response to such request, even where it transpires that you are not insolvent, nor have you incurred a liability to the third party, provided we have made reasonable efforts to establish the facts.

You can also unsubscribe from our mailings by clicking on the link in one of our electronic messages. All our electronic marketing communications will include the option to unsubscribe.

The legal basis for using your personal details for direct marketing

We are permitted to process your information to send you marketing material where we have a legitimate business purpose. When we process information for our legitimate interest we make sure to consider and balance any potential impact on you and your rights under data protection laws. We will not use your personal information for activities where our interests are overridden by yours, unless we have your consent or are otherwise required or permitted by law.

SRG has undertaken a review of its marketing activities and considered its impact on its customers. It has concluded that it is reasonable to assume that its customers would expect SRG to promote its services and products to them, provided such customers have not indicated that they do not want to receive such material. In addition, SRG believes that its customers find this information useful in managing their risk exposures, and that in the context of its professional and commercial relationship with its customers, SRG's marketing activity represents a minimal intrusion into the customer's privacy and there is no other unreasonable impact on the customer. Furthermore, SRG will provide its customers with the opportunity to unsubscribe from receiving marketing material in every marketing communication they receive.

SRG may also send marketing information to prospective clients who have used our services in the past or whose contact details have been provided to SRG by existing clients or other third-party introducers. Following a review of this activity, SRG has concluded that the use of this personal information is within the reasonable expectation of the recipients and that the impact on the prospective customer's privacy is minimal. The limited nature and frequency of such communications ensure that such activity does not become intrusive.

For these reasons, SRG has decided to base its use of personal information for marketing purposes on the ground that it has a legitimate interest in providing its clients with such material.

Marketing to individuals

The Privacy and Electronic Communications Regulation (PECR) requires that electronic marketing communications are not sent to Individuals unless they have consented to receive such material. An Individual is defined as a natural person, a sole trader or an unlimited partnership. It does not apply to corporate entities even where an email address includes personal information.

SRG utilises the "soft opt-in" process available under PECR to obtain this consent. This means organisations can send marketing texts or emails if:

1. they have obtained the customers contact details in the course of a sale (or negotiations for a sale) of a product or service to that person;
2. they are only marketing their own similar products or services; and
3. they gave the individual the opportunity to refuse or opt out of the marketing, both when first collecting the details and in every message after that.

SRG gives its customers the opportunity to decline receiving marketing material when it first collects the customers contact details, whether the prospective sale is conducted by telephone, online or by email, and the option to unsubscribe is also included in all subsequent marketing communications.

Where you purchase insurance through SRG via our call centre or online we will ask for your consent to send you marketing communications.

The use of special categories of personal information

In some circumstances, we (and other insurance market participants) may need to collect and use special categories of personal data (e.g. health information) or information relating to criminal convictions and offences. Where this is required we will only process this information if it is required for an insurance purpose, such as advising, arranging, underwriting, handling a claim or exercising a right or complying with an obligation under, an insurance contract. We will ensure that the processing of the special category data is necessary and proportionate for that purpose.

In certain circumstances we may need your consent to process such information. Where we need your consent, we will ask for it separately and you do not need to give your consent and may withdraw it at any time. However, if you do not give your consent, this may affect our ability to arrange and administer the insurance cover from which you benefit and may prevent us from arranging cover for you or handling your claims.

Retention of your personal information

We will keep your personal data only for so long as is necessary and for the purpose for which it was originally collected. In particular, for so long as there is any possibility that either you or we may wish to bring a legal claim under this insurance, or where we are required to keep your personal data due to legal or regulatory reasons.

Transferring your personal information

We may need to transfer your data to insurance market participants or their affiliates or sub-contractors which are located outside of the European Economic Area (EEA). Those transfers would always be made in compliance with Data Protection Law. You are deemed to accept and agree to this by using our site and/or our offline services and submitting information to us.

Safeguarding your personal information

We take all reasonable precautions to keep your personal information secure and require any third parties that handle or process your personal information for us to do the same. We operate an ongoing third-party assurance program which monitors, audits and evaluates such parties and ensures they meet our strict security requirements.

Access to your personal information is restricted to prevent unauthorised access, modification or misuse and is only permitted among our employees and agents on a need-to-know basis. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect offline and online.

Who do we share your personal information with?

In order for us to provide insurance quotes, arrange insurance policies, and/or deal with any claims or complaints, we need to collect and process personal data about you and to share this information with third parties such as other insurance intermediaries, insurers, reinsurers and loss adjusters. We may also disclose personal data for these purposes to our service providers, contractors, agents and group companies that perform activities on our behalf.

As explained, insurance involves the use and disclosure of your personal data by various insurance market participants such as intermediaries, insurers and reinsurers. The Lloyd's and London Insurance Market [Core Uses Information Notice](#) sets out those core necessary personal data uses and disclosures. Our core uses and disclosures are consistent with the Lloyd's and London Market Core Uses Information Notice. We recommend you review this notice.

In certain circumstances, we may be legally required to share certain data held by us, which may include your personal data, for example, where we are involved in legal proceedings, where we are complying with legal obligations, a court order, or a governmental authority.

Where you have been referred to SRG by a third party we may pay them a commission. To enable the third party to reconcile the commission payments it is due we may also share your personal information with them for this purpose. We will not provide them with any personal information they do not already possess as part of their existing business relationship with you, other than the month of a policy inception or renewal giving rise to a commission payment. SRG has determined that this processing is necessary for the performance of its legitimate business interests and is within the reasonable expectation of the referred commercial clients. It has also undertaken an assessment of the impact of such processing on your privacy and has concluded that such impact is minimal. If you have any concerns about the processing of your personal information for this purpose, please contact our Data Protection Officer by using the contact details in [Contacting us](#).

Information obtained during the course of negotiating a claims settlement on behalf of a client may be used in the negotiation of a claim with the same insurer for another SRG client or clients. The information will only be shared with the common insurer and enables us to provide a more effective claims handling service to our clients without compromising the confidentiality of client information. SRG has determined that this processing is necessary for the performance of its legitimate business interests.

What happens if our business changes hands?

We may, from time to time, expand or reduce our business and this may involve the sale and/or the transfer of control of all or part of our business. Any personal data that you have provided will, where it is relevant to any part of our business that is being transferred, be transferred along with that part and the new owner or newly controlling party will, under the

terms of this Privacy Notice, be permitted to use that data only for the same purposes for which it was originally collected by Us.

How you can access your information and correction

You have the right to ask for a copy of any of your personal data held by us. No fee is payable, and we will provide any and all information in response to your request free of charge. We may charge a reasonable fee when a request is manifestly unfounded or excessive, particularly if it is repetitive. Please contact us using the contact details in **Contacting us**.
